You've got the **creativity.**  
We've got the **know-how.**  
You've got the **commi**

The Arizona Center for Innovation (AzCI) builds strong, sustainable companies. Our expectations are high. And our track record is unparalleled. Our approach is rigorous.

## **HERE'S WHAT WE OFFER:**

### **EXPERTISE**

Our Mentored Launch program provides personalized coaching, training and support.

You'll work with experts who understand every aspect of business development. You'll participate in workshops and seminars. You'll create a solid foundation and robust infrastructure to support your company's growth.

### **HANDS-ON, PRACTICAL ASSISTANCE**

Our expert team allows you to focus on what you do best—growing your business.

You'll work in our 18,000 square foot managed facility. You'll have access to office space, wet and dry laboratories, videoconferencing, and meeting rooms. You'll make valuable connections with entrepreneurs, scientists, researchers, funders and business leaders.

### **RESULTS**

At AzCI, you'll plan. You'll network. You'll overcome challenges. You'll grow in ways you didn't expect. And you'll join the ranks of successful AzCI graduates.

We'll help you focus  
on reaching your goals.

Our companies attract grant funding, investors and skilled employees. They launch and commercialize products. They reach their goals and create new ones.

Some call it hard work. We call it success....and it starts right here.

## **ARE YOU READY?**

We work with companies at all stages of development. Our companies are at the leading edge of technology in diverse disciplines.

If you're ready to take your company forward, then AzCI is for you. Let's talk.
