

# UA TECH PARK

A T R I T A R O A D

TECHNOLOGY'S BEST ADDRESS

THE UNIVERSITY OF ARIZONA

**TECH PARKS  
ARIZONA**

The University of Arizona Tech Park at Rita Road is a place where emerging companies grow and successful companies flourish.

It's a place where new ideas turn into game-changing products.

It's a place where innovators, entrepreneurs, and business leaders connect and create.

When you bring your company to the UA Tech Park at Rita Road, good things happen because you're working smart.

You have the facilities, connections, and service you need to support you. So you're free to do what you do best—make the world a healthier, safer, more productive place.

#### **WORLD CLASS FACILITIES**

Our spacious, suburban campus encompasses 1,345 acres and has 2 million square feet of space for high-tech office, R&D, and laboratory facilities—with plenty of room to grow.

We're located in tech-friendly Tucson, Arizona, with easy access to the major markets of Texas, California, and Mexico.

#### **PRODUCTIVE CONNECTIONS**

At the UA Tech Park, the research power of the University of Arizona is at your fingertips. Collaborate with scientists and engineers from one of the nation's top-ranked research universities. Grow your workforce with tech-savvy students and graduates. Connect with other innovators as part of the vibrant Tech Park community.

#### **HANDS-ON SERVICE & SUPPORT**

Our unparalleled business support program provides customized assistance to meet your unique needs. From managing logistics, to accessing markets, to testing and evaluating your products, we can help you get the job done.

Are you ready to dream big and work smart? The UA Tech Park works with companies that reflect the research strengths of the University of Arizona:

- *Advanced energy*
- *Arid lands agriculture and water*
- *Health and biosciences*
- *Defense and security*
- *Intelligent transportation systems and smart vehicles*
- *Mining*

We assist companies in developing and commercializing their products through all stages of development:

- *Research and development*
- *Proof of concept*
- *Prototype*
- *Testing and evaluation*
- *Demonstration*
- *First generation manufacturing*

Find out more about why  
we're the smart choice  
to help your company grow.
