SUCCESS STARTS AT THE URBAN LEAGUE

The Tucson Urban League in partnership with Pima County Youth One Stop, Tech Parks Arizona and SAMP helps prepare local high school students for the future. Students can participate in highly engaging career readiness workshops focused on soft skill development, skills that are imperative for employers. Taught by seasoned industry professionals, these workshops offer students a competitive edge. High school juniors and seniors are encouraged to attend! Students who complete at least 8 workshops may apply for a paid internship with one of our local partners.
