Racing the Sun is a science, technology, engineering and mathematics (STEM) program that challenges high school students to design, build, and race solar-powered go-karts. It is open to all Arizona high schools.

Watch more than 15 high school teams race their solar-powered go-karts. This family friendly event is open to the public and will be held at Musselman Honda Circuit located at 11800 S. Harrison Road, Tucson, AZ 85747.
