BE INSPIRED

Tech Parks Arizona creates Interactive Ground – the vibrant place where technology companies, a world-class research university, and a dynamic community come together.

When your company is on Interactive Ground, you prosper.

Your company grows through business support that is Hands-on. Customized. Proactive.
EMBRACE Interactive Ground at a University of Arizona research park— the UA Tech Park at Rita Road or the UA Tech Park at The Bridges.

Our parks provide state-of-the-art facilities in a thriving, innovation-friendly community.

And our services connect your company...
with a support network like no other.
GLOBALLY ACCLAIMED

Our globally acclaimed business support programs help you to

- Grow your business
- Develop your technology
- Attract qualified employees
- Access vibrant markets
- Test, evaluate, and demonstrate your products
- Forge productive partnerships with the University of Arizona, a prominent research university

Be part of a community of scientists, engineers, entrepreneurs, and businesses at

the leading edge of technology.
Or travel your own unique path.
