RE: Operations Advisory – Pressure washing and Painting Spine Lines

Please be advised:

Contract Operator will have contractors performing work **along the spine Saturday September 12, 2026 and September 19, 2026 from 6am-5pm.**

During this time, the contractor will be pressure washing and painting the yellow lines along the spine. Access along the spine will be limited while this work is being performed.

For safety reasons, we kindly ask that Occupants:

- Be aware of your surroundings and follow safety protocols.
- Avoid the areas where work is in progress.

If you have any questions, please do not hesitate to contact Sean Rex at OccupantServices@uastp.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you
